

Do a Good Turn...

Scouting for Food 2010

...around the block, around the
neighborhood

Lone Star District Cub Scouts, Boy Scouts, and Venture Scouts collect more than 35,000 food items each year, providing a “good turn” service for their friends and neighbors who are ready to help a good cause. They gather nourishment for thousands of needy children and families in our North Collin County communities.

January 7th or 23rd Boy Scout Troops, Cub Scout Packs and Venture Crews will pickup collection bags at either the January Roundtable (January 7th) or at the Lone Star District Dinner (January 23rd).

February 13th Cub/Boy/Venture Scouts deliver bags to homes in assigned neighborhoods.

February 20th Cub/Boy/Venture Scouts pick up bags of food from homes in assigned neighborhoods and take them to the Food Pantries. **Call or email to your local coordinator your unit’s can count in by 2:00pm!**

We will need area coordinators for this event! If you wish to help, please contact the Lone Star District Scouting for Food Chairman Mark Hanes at (214) 876-7194 or bsa.lonestar@gmail.com

Look for more information at the monthly Roundtables or on the Lone Star Website.
